Ful 3/38 The course of Sife of the Single Sister frace Thomson went home Leb: 12. 1770 Iwas form at in murfield Nov D. 1936 Bap in the Church of England having heard of our Saw from My infancy, I had a great desine logo unto the meetings but my mother thought I was toggoving, but one day I vertised of my own aroad & slay the whole meeting book fane to be all home before my nother, fearing the would be grived, but when she heard of it was much pleared, & from that Time always took me with Her. Swhen Iwas about oyear old Iwas took mto lare a monger the Child" by 18- 85" Helt I like the Philorens meeting Salso the school Rept by the Sisters proved a great blyfring to my Heart, in my 14 year was took into the for funds choin & Hearlify wish I might be a joy to our of Lao" after my futhers departured removed will my mother to have in-Holm Lone that we might be never fulnech to injuy the meetings & about my id year I had the small pox in which hikness I was trought to reflect repor how my heart tood with regard to it connection with our In Law for I found my self much afraid of dying feeling my depracely of douly body & that I had no aparance of going to our Suo in my present timetion, I laid my Left as well as I could at His thro pered heet for this granows absolution & the freind of Somers took my fears away & made my school more hearable some on the 13 of nov 5- 54. I was neceived into the congration to Imporcal day and deep abose ment, nevered my towerent to be mitoul glody my dures Las" & Scontinuor Happy & choreful for some Time; & in a forthe following, Spring, I was admitted a candidate for the Holy succeeded to the Hiprying of my Heart; for it brought me upon being more Earness with our duts To prepare me for the injoyment of His body & blood, but this I carried too funt in My own Shength & self working; & thereby come into deep districts, my own deprowing land such how of my that I had no more the Light or feeling of our das in My Heart Steerme cold and indiffrent to all the former promises which I made Him I got alove for the world of the pleasures which I aw other young people injoy; thus with forming various dew of delight unto myself I went tobed one might seamingly well pleased, my proud & High disposit to conceal all these imagunry pleasures to my delf & Thought to Sleep as at other Fines, but I no sooner laid me down my pleamers vanished I such difrings came upon me that Spent the might in the betteres dears (rying out for Mency but felt no Juner in my Seart, this defrirefs Continued to long that I thought it more then possable ever to survive is with My Lences; one day I retired unto alonely place fell upon try face &my Heart bust into aflood of Lears at my deir Low deal

were I would bludly have Said Lord have morey on me. BM I cond now peak, but How found that friend of Somes neaver to my soul thenever I had felt before, He forgase His poor diffings I breuhore & sel me free from all the intellimit that stood before me, som Heart become as abille Child before Aini; & on april 10, 5 b I was confirmed for the injugment of the Holy sacrement & in Munfollowing participation of that Highest food in an unepropulle manner as a poor pardond sinces prostrand before Sim & injurganamy blefrings in the Figure girls Choir-June 10 1757 was received into the Ingle Silve thois hore areas schooling commend in My heart of They I my Law to lake me afforth into this hand & make me atrue vergin thro the own presons blood for fill a durly need of grave & abrolishon dub-14 1750 got leave to live at formersal Occonomic of which place I was soon at Home much rejone and Happy lot feltchorafal & fluid to has amongen the destern fifeel there fourth were for me; may 1760 I had lewe to remove into the charkout at fulnich, which rejoined me very much belive my news removed from all danger & had now got want ing home till farther into my hearlusting out. not long had suppy all these great & tracions previlides but Thegun a gain to feel my self that needy one for whom there was no help but at the reet of orsus, to which place I had many by paths before He could get this pour sheep the poor blood bought worm to Stoop To low Justen Hink of Ris what I veryond at that deanflace my poor Hunks are fant loshows for all the Toil & xabour thuld " toot time about one whole year in My Charhoufe Inguita Huppy Saboth formy Want, of then cause into great colones front frency of heard towards on deindav. Imy Sut " whom I thought did not Freatme according to implefints Smile ad of being a Sime over my faults I grew High inspirit & brought Iny self who Such irrum stances no Inover felt myself , before believing it impossible to come thro as spercive I had intirely bot the Survertrack therefore refolved to keep it all a Secret in My breast & take an opperto leave the House inprivately a walking out alone; thus on deling out refolow never to see the chors house more \$10 ham My back upon all the hardships which found to for to submitto. on My first spine, and the Tears begun to flow plantifully down they day Severy Step se amd to preve my very thank; I had not walk- above

aguarder of a mile and Iwas Struck so with fem & Frudling that I could not approach one Sup further & avoice came so to me with those words, if those goest away thou will be ruind in Loul ghody; turn a gaing I will bring the through, I look round me but coud see no person butfellthe near presence of our sao in my feerl; Ireturned withall feed unto my dearchanhouse with a familful Behoveful Heart unto my deur Sow for this greet fouthfuloup to in helping of me buck & Brafter haveny deprived my self of 4, monthsingonment of the Holy Jaccomment I was on the 12 ofmarch &! amilied to that great grave again to ky nover forgother abacement. & from this time I became prove open Searled to my Laborers and had never been before to My great lop gahame span. Thus for her own word, The particular grace our Francis bestood on our Happile Departed Seff makes us adore the front of Times of The miles to make the follows; Consich & lomforts; alternately; actording as the poor depraved nature can hear it this was the late with our Late felt who did not like the Searching love of ther Lovery but had a Secret inclination for Ande to have her faulty thick Stagnated her Course in the Injoyment of the Blofied Sinners Tellowship with her Choir Jef The Seneible feeling she had of it at the same time may be seen by a few Lines; which she her self lomposes May I on Thee my Swroft Noch I have so often gone astray May I on Thee my Swort Noch Till I into great Banger game which made me Cry out for a Lamb I know from thee my health does, Then I around Thee thing (pring For Townerte Vorfes were the Lats In Christol's; y in particular That Hymn; With Sainfull Sennance thoughts Siftrofeed The Soul of my Bellow I Bee &c Threby a tonder Emotion of heart towards her Suffering Recemen was very Persceptible in her; Out of she removed into the sickroom which provid a Bloffed school to their Shich Our Saviour made up as well as from the painfull Sensation Occasion dog imposing on her Constitution about which she was truly ponetant; chad there his Grave set her at Liberty from all porplacity; which had intropoled her lourse of grace so maked years; This the empry as Bespoke a Serene Rignity of Clearnofs with the Friend of Sinners; in such a mellognoff of injoy ment that all about her partook of her happiness

From that time Our Lacrour gave her the grace to relish & ingry this Blieding Monts, to her Comfort and Satisfaction; and ingolad all hor wants wichtly she had for some time past a source intimation that her stay here wond not be long, at which She rejoied Like a child; at that Bbfied Meeting when she Should see our Javiour, But her Seforder having hours on her for some years being something astmatical ne did not think it would be so soon; Till about a week ago; she altord porceptibly & the begun to speak with from the furance, that her Hope would soon come to the full Sujoyment; The thank I we Praise Our Savious night & Fay for His Love & Goodn's to And often repeated: Omy own Year Laviour how shall I poor worm thank Thee enough; It is impossible for me to tell what He has done for me; Joon I shall have the favour to See Thee & hip those dear Donado which have heald me, In this Stappy Expectation the ender her between 142 clock of noon with the Blofong of her Choir; in the 34 year of her age.
